**WITHDRAWAL OF
NOTICE OF PROPOSED
ADMINISTRATIVE FINE
No. AF 05-051**

December 16, 2005

This Withdrawal of Notice of Proposed Administrative Fine is issued by the Department of Environmental Services, Waste Management Division ("the Division") to Rymes Heating Oils, Inc., of Concord, New Hampshire. The original Notice of Proposed Administrative Fine No. AF 05-051 ("the Notice") was dated June 17, 2005 and sought administrative fines totaling \$4,400 for violations relating to the underground storage facility located at the Rymes Heating Oils Facility, 2 Main Street, Antrim, New Hampshire. At the time the violations were discovered, the Division allowed Rymes Heating Oils, Inc., 30 days to correct the violations and another 15 days to submit correction reports. On July 11, 2005, during an informal meeting with representatives of the Division, Mr. Rymes stated that the violations were corrected in the time allotted and he believed the confirming documentation was submitted. On July 12, 2005 the Division received records verifying that the needed corrections were made within the prescribed time period. The Division thus withdraws the Notice.

Questions regarding this Withdrawal should be directed to Thomas Beaulieu at 603-271-2986 or by e-mail at tbeaulieu@des.state.nh.us.
